Dear Readers  
Assalam-o-Alaikum

It gives me great satisfaction while offering *“Limelight 2019”* encompassing events and happenings of last year. Our core values are focused on ethical and customer centric approach where the organizational objectives are carefully blended towards our members, communities and sustainable growth to bring the very best of DHA lifestyles. Though we are confronted with host of challenges and issues yet with our undeterred resolve and your support, we shall succeed InshaAllah. The stalled projects are now at track and many new initiatives are being undertaken to enhance members’ confidence. It goes without saying that our members, customers and employees remain our biggest source of inspiration and strength in treading our glorious past.

We continue to look for your patronization and support...  
Happy reading!

**Dear readers,  
Asalam-o-Alaikum**

We once again proudly present Limelight 2019, a photomontage of activities and experiences of yester years. The highly variable and uncertain external environment has confronted us to great challenges in meeting objectives and commitments. The new regulatory measures on real estate have slowed down the market with collateral effects, which will take time to stabilize.

Much has happened to rejuvenate the community lifestyles in terms of value entertainment and social profile. However we continue to strive in creating unmatched value in property and community lifestyles with your patronization and support.

Wish you all a very pleasant reading ...

**Col Iqtidar Ahmed Farooqi(Retd)  
Chief Editor Limelight**

**...& we are back again  
Greetings readers !**

The editorial board is Glad to release the current issue of Limelight 2019. The magazine provides a perfect podium to highlight the development status and community segments of the DHA life. Our promise to bring the best solution in housing to our customers and to contribute to Pakistan's economy through progressive development remains our foremost commitment. Our journey is still going on and we want your continuous support and patronage in accomplishing our goals.

I want to extend my sincere thanks to DHA media team for the support to make this magazine stand out.

lets embrace the future with open arms...

**Mahwish Qammar  
Editor Limelight**

# Phase 3

*an era of  
high living begins...*

Located in the heart of enchanting Potohar Region, DHA Phase III promises elegant town planning with beating heart concept comprising modernized residential and commercial areas. Its town plan also encompasses a golf course, theme park and a lake (already constructed). Development of this phase has commenced since Jan 2017 with full swing and so far 1050 kanal has been fully developed while earthwork of 3800 kanal (approx) has been completed.

# Phase 4

Designed over an area of approx. 4000 Kanals, DHA Phase IV is located adjacent to Orchard Area, DHA Phase I along Soan River. Beautifully set in a semi-hilly area having eye catching natural landscape with contoured terraces providing scenic view to residents. The natural topography has been respected to the greatest possible extent while trying to achieve a viable number of plots with an economical and well engineered infrastructure of civic and municipal services. The project will offer high-end amenities with recreational facilities & green areas.

## *eye catching*

Beautiful semi-hilly land having eye catching natural landscape.

## *wide carpeted roads*

Main Avenues are quite wide and further supported with service roads to facilitate and accommodate traffic flow within the residential area.

## *development status*

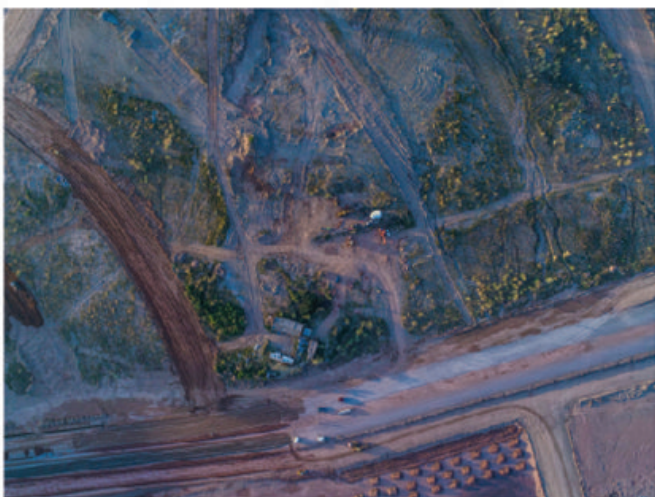

Development of DHA-R Phase IV started in 2014 and final town plan was balloted in end 2015 and development started with full boom in 2016. So far approx 90% earth work and 93% storm water drains have been completed.

Overhead and Underground water tanks are in execution phase and approx 50% progress has been achieved.

Commensuration with the landscape, a beautiful commercial Avenue is being developed all along the soan River capitalizing ultimate utility of commercials giving ample access to the end user.

DHA Management is planning to open Flagship Campus of DHA APS in Phase IV. A bridge is also planned to link Phase 8 Bahria Town and Garden Villas with DHA Phase I & IV.

# *Phase 5*

Formerly launched as Commoner's Town in 2006, over an area of approx 7000 kanals, it has been renamed as DHA Phase V with Sector A, B, C, D, E, F, G & H. Phase-V is located along the Main Islamabad Highway, having dual access through DHA Expressway and L.A.K Boulevard. It exists in the area, which has tremendous landscape and natural beauty.

## *development status*

More than 170 housing units have been constructed / occupied, while approx. 90 housing units are under construction in Sectors A, B & C. Besides, progress of Sector-D is also at advance stage. Development of 11 valuable Commercial Areas consisting of 4 & 6 Marla plots is also in progress. "Main Central Commercial Area", being the central focal point and major value added feature of the community has been substantially completed, whereas 10x Commercial Plazas are under construction/ completed by their respective owners.

Infrastructure development works in Sector-F are progressing on fast track with good specifications / quality standards. Overall progress of Sector-F is approx. 35%. Services like Road Network, Water Supply, Water Storage Tanks, Sewerage, Drainage, Electrical distribution system etc are smoothly progressing. Development of two Parks being the most desired facility has also been accomplished. Besides, good plantation to beautify the area and cater for general ecology system of area has also been executed.

Development of Sectors G&H is also being carried out as JV Project. More than 90% work has been done with well thoughtful landscaping / plantations to compliment the surrounding stunning view / greenery. Construction of houses has also been commenced.

## DHA EXPRESSWAY

DHA Expressway is a 6 Lane Road which will connect the Islamabad Highway with major DHA Projects like Business Corridor, Business Square, DHA Phase V, DHA Phase II Extension & DHA Valley. This would contain future high end commercial areas all along and further linking it with Kallar Sayedan road leading to Kashmir.

# DHA VALLEY

Fast pace of land procurement and development works has been set. A successful ballot of DHA Valley was conducted on 23rd Dec 2018 to handover fully developed plots to the honorable members for possession. Another Ballot is planned this year in which 15,000 fully developed plots will be handed over to the members. Approx. 13,000 plots are being developed every year. Work on DHA Valley Grid Station has been completed and all essential services like sewerage, water supply and roads are being developed in a phased program. Work on bridge linking DHA Valley with DHA Phase 5 and Islamabad Expressway through DHA Expressway has started after shifting to new location.

An aerial photograph showing a large-scale urban development project. A network of roads and channels is visible, cutting through a landscape of dry earth and sparse vegetation. The roads are laid out in a grid-like pattern, with some areas already paved and others still under construction. The surrounding terrain is hilly and appears to be in the early stages of land clearing and infrastructure development.
